WHO AM I

Elijah Russ had an exciting year in 2022 with the release of two new albums, *Wandering* and *Sandcastles*, which were presented in a double-album release concert at Wealthy Theatre in April 2022. He also took stage at Frederick Meijer Gardens, Studio Park, Franke Center For the Arts, and Van Andel Arena. He has proven to be an increasingly relevant part of the West Michigan music scene, and is frequently seen collaborating live with regional acts such as Melophobix, Gunnar & the Grizzly Boys, The Bluewater Kings Band, The Legal Immigrants, and Harper and Midwest Kind.

When Elijah is not performing or teaching, he enjoys homecooked meals, playing with cats, and exploring maps.
